

## **SPECIAL FORCES NAUTILUS SLEEPING BAG**

The SPECIAL FORCES NAUTILUS sleeping bag from A1 Global is a high quality camping gear designed to provide comfort and protection. This sleeping bag is designed to keep you warm and comfortable through the night.

The sleeping bag features a Softie Premier synthetic fibre filling, which offers excellent heat retention and great durability. It also features a full side zip and adjustable collar to provide additional ventilation and comfort.

The exterior of the sleeping bag is made from water- and wind-resistant Ripstop fabric, meaning it is able to withstand harsh weather conditions. It also comes with a compact carry bag, making it easy to pack and transport.
